

# Call for SLUGs Presenting Posters

## REMINDER - Sign up by April 30

We need to know how many posters we'll have, so sign up with a title, even if it's tentative, so we can get an accurate count.

UNIVERSITY OF WASHINGTON  
SOUTH LAKE UNION GROUP

Remember, all kinds of posters are welcome - from outlines detailing new projects to developed work. Poster details will follow - but remember we're expecting all varieties from old school page panel printouts to fancy all-in-one posters.

Reserve your spot at the show using the link below:

<https://catalysttools.washington.edu/tools/survey/?sid=20242&owner=seanyk>

Schedule for Thursday, June 8, 2006

Morning ... Poster set up

1-2 pm .... Poster viewing

2-3 pm .... Dr. Murry's Keynote address - "Current state of stem cell research and ethical issues"

3-5 pm .... Poster viewing with appetizers and refreshments

The South Lake Union Group (SLUG) is a development of the fellows and scientists at the University of Washington SLU campus to encourage new and enrich existing scientific opportunities and collaborations in the Seattle area. We seek to enhance our training opportunities by providing new venues for interactions among the various academic and industrial elements of Seattle biotech. We are excited by the concentration of important research ongoing in Seattle and hope to contribute to further growth and development.
